

CURRICULUM VITAE — ARIH ADILAH HASAN

Bangampel 003/001, Gendayakan, Paranggupito, Wonogiri
arihadilahhasan@gmail.com | 082133511818

Profile Summary

Informatics Engineering graduate focusing on Artificial Intelligence development and data analysis. Experienced in implementing the BERT model for research and working as a Fullstack Developer intern, including developing a web-based attendance system during my studies using PHP and CodeIgniter. Currently, I am participating in the MagangHub program as a Fullstack Developer at PT Jasamedika, contributing to the development of a Hospital Management Information System (SIMRS) using Laravel and Vue.js. Actively involved in student organizations with proven skills in project management, communication, leadership, and teamwork.

Work Experience

Sygma Foundation – Bandung, West Java, Indonesia

IT Support Intern (November 2024 – December 2024)

- Developed a web-based attendance system to streamline student attendance tracking and automate salary calculations for tutoring instructors.
- Utilized CodeIgniter and PHP frameworks with PHPMyAdmin for database management.
- Contributed to improving internal operational efficiency and digital transformation at the foundation.

PT Jasamedika Saranatama – Bandung, West Java, Indonesia

Fullstack Developer Intern (MagangHub Program) (Desember 2025 – Present)

- Contributed to the development and maintenance of a Hospital Management Information System (SIMRS) to support hospital operational workflows and data management.
- Developed and enhanced application features based on client (hospital) requirements using Laravel (PHP) for backend and Vue.js (JavaScript) for frontend.
- Assisted in debugging, troubleshooting, and improving system performance to ensure reliability and efficiency.
- Collaborated with cross-functional teams to translate business needs into functional system solutions.
- Gained hands-on experience working on a large-scale enterprise system with structured development practices.

Education

Bachelor's Degree in Informatics Engineering

State Islamic University (UIN) Sunan Gunung Djati Bandung, West Java, Indonesia
GPA: 3.56 / 4.00 | 2021 – 2025

Senior High School (SMA IT Ihsanul Fikri Mungkid)

Magelang, Central Java, Indonesia | Major: Science (MIPA) — Final Score: 83
2017 – 2020

Junior High School (SMPI IT Al Huda Wonogiri)

Wonogiri, Central Java, Indonesia — Final Score: 86
2014 – 2017

Skills

PHP, JavaScript, Node.js, Laravel, Vue.js, Natural Language Processing, MySQL, Python, PostgreSQL, Codeigniter.

Training & Certification

Information and Communication Technology — CCNAv7: Introduction to Networks

Cisco Networking Academy (September 2023 – January 2024)

Languages

- English: Intermediate
- Indonesian: Native Speaker
- Arabic: Elementary
- Korean: Elementary
